

BEDTIME PRAYER

Father, please forgive me of every thought, spoken word or deed I did today that was displeasing to You. I break every curse that was placed on me either self-imposed or put upon by any demonic source and anything spoken over me that was not from You. I curse every corruptible seed that was implanted in me today and I command it to wither and die that Your righteous seed will grow and bear fruit for Your glory in Jesus Name.

I bind every evil, foul, or unclean spirit that may try to come and torment me in any way tonight, I muzzle the voice of the stranger, and I loose the Holy Spirit to flow through me giving me dreams, visions, health and rest as I sleep.

Send Your warring and ministering angels to watch over me and minister to me as I sleep.

Holy Spirit come and be with me as I sleep,
In Jesus name.
