You may need deliverance if you have an infirmity and doctors cannot find it or the cause. You can be assured that Satan has a plan for your life, and that is to steal, kill and destroy. He has a huge army at his disposal and you can be certain that a demonic entity has been assigned to you. If you have oppressions that characterize these descriptions, you may need deliverance.

How can I assist during my deliverance?

- Be completely honest about listing the strongholds in your life. Details are not important (God already knows). The counselors are experienced and unable to be shocked. They desire to see the body of Christ free from all the enemy's strongholds. The counselors are trustworthy!
- Do not pray aloud during deliverance. Words can create a blockage. Simply will, in your mind, for the spirits to leave. Do not hold back your emotions or reactions. Most evil spirits are expelled by the mouth. Don't be embarrassed to cough, burp, yawn, sigh, scream, or spit up. It's only an evil spirit on its way out. However, there may be no physical reaction at all.

What can hinder my deliverance?

- A judgment spirit. You must release those who you have judged.
- An unforgiving spirit. Forgive all, hold no grudges (be sure to include yourself). You only have to choose to forgive. It is a deliberate choice on your part. God cannot forgive or deliver you if you do not forgive (Matt. 6:14-15). It's not necessary to go to everyone and ask forgiveness. Only do this if God tells you to.
- Renounce all occult and cult practices and confess them as sin.
- Abortion must be confessed and expelled as murder.
- Sexual sin must individually be confessed as sin (homosexuality, adultery, fornication, perversion, etc.)
- Ungodly soul ties must be broken with adulterers, fornicators, ancestors and those having an ungodly dominating spirit over you.
